Last year, the HILLCREST CONCERT BAND celebrated its 60th year of music making. The band presented "FAVORITES" of the band members and of the audiences. There were so many good suggestions and requests, that the band offers "MORE FAVORITES" this year. There will be the usual variety of music for all tastes: patriotic music, marches of all kinds, Broadway show tunes (60th Anniversary of "My Fair Lady"), movie music (Star Wars), TV shows (Downton Abbey), famous overtures, - even some Glenn Miller and Dixieland music!

The motto of the band is: "More music for more ears". Performing about 20-25 times each year, the band has played over 1400 concerts. This year, over 20 communities will be visited, and hundreds of people will enjoy the concerts. Many will take home recordings, and visit hillcrestconcertband.org to enjoy more music of the HILLCREST CONCERT BAND.
