CPA’s Mission Statement:
Improving lives through programs and services that support
independence, community involvement and well-being

News from the Community Partnership on Aging
Executive Director, Wendy Albin Sattin

The last ten weeks have shown us that life changes quickly and that innovation and flexibility guides
our actions today. Community Partnership on Aging quickly moved to respond to what you
needed- over the last two and a half months, we distributed thousands of lunches and hundreds of
emergency food boxes, masks and paper goods. Our communities mobilized as well by donating
hundreds of handmade masks, restaurant meals (thank you, Mama D’s Diner in Lyndhurst!), paper
goods plus many hours of volunteer service to CPA. We received a substantial donation of $40
grocery cards for Dave’s supermarkets from the South Euclid Commission on Aging and are in the process of distributing
them during the crisis to eligible older residents. We are grateful for the generosity of our community partners and are
thankful for their compassion.

CPA is looking at offering outdoor and virtual activities for you as we continue to abide by the guidance of Governor
DeWine, state and local Boards of Health and our member cities. Check on our website, this newsletter or call Carolyn at
440-473-5138 for the latest programming updates, including:

- **Plugged in Programming** - CPA is creating our own programming content that will range from exercise and wellness
classes to art and cooking/food prep classes to keep our community active and engaged while we are all social-
distancing. You can find it at: [https://www.facebook.com/groups/CPApluggedinprogramming/](https://www.facebook.com/groups/CPApluggedinprogramming/)

- **Pop Up Parking Lot Programs** - Meet us in one of the community center parking lots for an outdoor session of your
favorite exercise classes- Tai Chi, Yoga and Senior Exercise.

- **Connect with Creativity** - grab a box of art supplies assembled by CPA and meet us on Facebook or YouTube for a do-
along tutorial. In June we are highlighting paper crafts like origami. Nominal fee.

- **Virtual café dinners** - grab a delicious dinner cooked by Chef Mary Beth then go home, log onto Facebook and enjoy a
live concert with local talent. The next Virtual Café dinner is scheduled for June 23. Cost is $6. Call 216-650-4029 for
reservations.

Our ongoing support at this time includes lunch distribution through curbside pick-up at 11:30AM. If you would like to
reserve lunch, please call the Lunch/Program reservation line at 216-650-4029 by 3 PM on Tuesday of the week prior to the
lunch. We have masks and paper goods for you, too- just give us a call at 216-291-3902. And our social work team is
ready to assist you at 440-442-2626 ext. 244. We are providing weekly friendly visitor calls- if you know of an older adult
that would enjoy a call with a community volunteer, please let Marilyn know- 216-291-3903.

Remember, scammers are exploiting the fear and isolation people are feeling during the COVID-19 shelter-in-place.
Beware of scammers posing as government officials, bank employees, or health professionals. They want your money and
sensitive personal information, including Social Security number, Medicare number, credit card information, and bank
account information. HANG UP!

It goes without saying that things aren’t the same around here without your presence. Many of the CPA staff have told me
that they miss our participants and can’t wait to see you in person again. Till then, please continue to keep yourselves safe
and healthy.

Three Cheers for All of Our Amazing Volunteers!

Volunteers are essential partners in advancing our mission to improve the lives of the 60+ through programs and services that promote independence, community involvement and well-being. They foster well-being and community involvement by helping with programing at our community centers doing the following:

- Preparing and serving food
- Distributing fresh produce
- Leading activities
- Providing administrative support
- Raising funds

They also support independence by assisting residents who need a little help or companionship by:

- Running errands
- Visiting the homebound
- Completing minor household repair
- Shoveling sidewalks
- Taking in and out trashcans
- Completing yard clean ups

Although we were unable to celebrate with our volunteers in person during National Volunteer Week or at an annual recognition event, we still want to recognize their amazing contributions to people we serve. In 2019, we had over 221 volunteers serving in 63 different volunteer positions for a total of 462 volunteer activities. Our dedicated volunteers contributed more than 5,175 hours to benefit over 500 individuals in our six-city service area.

The following volunteers are celebrating milestone service anniversaries this year:

- **20 Years of Service**
  - Phyllis Brichacek

- **15 Years of Service**
  - Pauline Ettorre
  - Mary Ellen Klein

- **10 Years of Service**
  - Cub Scout Pack 424
  - Judy Dearden
  - Barb Fatica
  - Theresa Ludwigsen
  - Lyndhurst Community Presbyterian Church
  - Sandy Malevan
  - Stuart Schulhof
  - Marguerite Strickland
  - Dene Young

- **5 Years of Service**
  - Julie Grida
  - Nancy Lewis
  - Geneva Barkley
  - Pat Berland
  - Greg Feast
  - Gorjanc Comfort Services
  - Audrey Heller
  - Hillcrest Hospital
  - Mayfield Heights Residents
  - Advisory Committee
  - Mike & David Miller

With heartfelt thanks, we want to thank each of our dedicated volunteers for their commitment to helping others. We could not do all that we do without their unwavering commitment and caring spirit.

Love a DIY Project? Volunteers are needed anytime between June and September to help with our annual Summer Repair Program. Help with interior or exterior home repair or landscaping projects. This is a great activity for a family or friend group to spend an a few hours updating a senior’s home. All you need is a helpful spirit – all supplies will be provided. Please contact Volunteer Services at 216.291.3903 or hahnm@communitypartnershiponaging.org for more information.

6 Ways You Can Help CPA Keep Our Older Adults Safe:

1. **Volunteer.** CPA’s Volunteer Coordinator, Marilyn Hahn, has plenty of opportunities! Whether on-site or off, volunteer services are still highly in need. Give her a call at 216-291-3903 or send her an email at hahnm@communitypartnershipaging.org

2. **Provide an in-kind donation or service that can be used in any number of creative ways.** Have an idea? Contact Therese Grida at gridat@communitypartnershipaging.org.

3. **Tell a friend.** Word of mouth is more important than ever. Maybe your mom, uncle, neighbor or friend can benefit from a lunch or other supportive service we offer; we need you to help spread the word.

4. **Tell that friend to tell a friend.** What if your mother’s cousin’s dog-sitter knows the owner of a company that could provide us with an in-kind product or service? You can bridge the gap by encouraging them to give us a call.

5. **Sponsor or the cost of a program or service.** Sponsorship amounts vary and always include creative ways to market your business or service.

6. **Make a cash donation.** A donation as little as $50 can make a huge difference! While we recognize that this is a difficult time for everyone, if you have the means, please know that a donation of any size is always used thoughtfully and in the manner requested.

For information on sponsoring or making a donation contact Therese Grida at 216-291-0772.
